SAMPLE COVERAGE TERMS

I. COVERAGE

During the coverage period, HWA's sole responsibility will be to arrange for a qualified service contractor ("Service Provider") to repair or replace, at HWA's expense (up to the limits set forth below), the systems and components mentioned as "Included" in accordance with the terms and conditions of this contract so long as such systems and components:

**A. Are located inside the confines of the main foundation of the home or attached garage (with the exception of the exterior pool/spa, well pump, septic tank pumping and air conditioner); and**

**B. Become inoperative due to normal wear and tear; and**

**C. Are in place and in proper working order on the effective date of this home warranty contract.**

It is understood that HWA IS NOT A SERVICE PROVIDER and IS NOT ITSELF UNDERTAKING to repair or replace any such systems or components.

It is further understood that HWA's obligation to pay for the repair or replacement of covered systems and components is limited to \$5,000 per covered item and \$15,000 in the aggregate.

This contract only covers single-family homes, town homes and condominiums (including manufactured housing) under 5,000 square feet, unless an alternative dwelling type (i.e. 5,000 square feet or more, new construction or multiple units) is applied for by phoning 1-888-HWA-RELY. Coverage is for owned or rented residential-use property, not commercial property.

This contract describes the basic coverage and options available. For the specific coverage detail on your home, see the front of this contract as it relates to Articles IV, V & VI. Coverage includes only the items stated as included and excludes all others. Coverage is subject to limitations and conditions specified in this contract. **Please read your contract carefully. Note: this is not a contract for insurance.**

II. COVERAGE PERIOD

Home seller's coverage for the listing and sale period starts the date the application is received and accepted by HWA and continues until the expiration of the initial listing period (up to 180 days or until close of sale or listing cancellation whichever is first). Free listing coverage is only available if residence is listed with a licensed real estate professional, and the listing residence is owner occupied at time order is placed. If a telephone application is received, then coverage will start immediately upon issuance of a confirmation number by HWA. HWA reserves the option to extend seller's coverage after 180 days.

Home Owner's and Buyer's coverage begins and ends pursuant to the period noted at the top front of this contract provided payment is made in full on or before the first day of the period. HWA provides a 14-day payment grace period for contracts involved in a real estate transaction and ordered by a licensed real estate professional, title company or financial institution.

III. SERVICE CALLS... FOR SERVICE CALL: 1-888-HWA-RELY

**A.** You or your agent (including tenant) must notify HWA for work to be performed under this contract as soon as the problem is discovered. HWA will accept service calls 24 hours a day, 7 days a week, 365 days a year at 1-888-HWA-RELY. Notice of any malfunction must be given to HWA prior to expiration of this contract.

**B.** HWA will immediately dispatch your call to a Service Provider (48 hours on weekends and holidays). HWA will determine what repairs constitute an emergency and will make reasonable efforts to expedite emergency service (emergency usually considered to be loss of life or peril). If you should request HWA to perform non-emergency service outside of normal business hours, you will be responsible for any additional fees and/or overtime charges.

**C.** HWA has the sole and absolute right to select the Service Provider to perform the service; and HWA will not reimburse for services performed without its prior approval. Wisconsin residents refer to section XII.H.

**D.** You will pay \$50.00 or \$100.00 (see the front of this contract for specific service fee) for each trade service call, ("Service Fee") or the actual cost, whichever is less. The Service Fee is for each visit by an HWA approved Service Provider, except as noted in this Article III (E), and is payable to the HWA-approved Service Provider at the time of each visit. The service fee applies to each call dispatched and scheduled, including but not limited to those calls wherein coverage is included, excluded, or denied. The service fee also applies in the event you fail to be present at a scheduled time, or in the event you cancel a service call at the time a service contractor is in route to your home or at your home. Failure to pay the Service Fee will result in suspension of coverage until such time as the proper Service Fee is paid. At that time, coverage will be reinstated, but the contract period will not be extended.

**E.** If service work performed under this contract should fail, then HWA will provide for the necessary repairs without an additional Service Fee for a period of 90 days on parts and 30 days on labor.
